MEMORANDUM FOR: Deputy Director for Intelligence

FROM : Deputy Director of Central Intelligence

1. At the USIB Meeting on 9 May I was directed to chair a small study group consisting of General Carroll, Mr. Hilsman, and myself to consult with General Krulak, General Taylor, and other appropriate officials, and to develop recommendations for USIB, and other intelligence community actions, in support of U. S. counter-insurgency planning and operations.

2. I will look to DD/I as my staff agency for this activity. Please tell me who will be my man so that we can get together and arrange the meetings, etc.

MEMORANDUM FOR: General Carter

Re paragraph 2 of your memo to DD/I (attached), [] dropped in to say he is DD/I's representative on counter-insurgency and is ready to talk to you at any time. Do you want us to set up a meeting for sometime after you get back from Fort Bliss? (I assume you will be back in the office a week from today.)
